Editor & Publisher of *Inside Elections with Nathan L. Gonzales* and Election Analyst for *CQ Roll Call*

Nathan Gonzales is the editor and publisher of *Inside Elections with Nathan L. Gonzales*, which provides non-partisan analysis of campaigns for Senate, House, governor and president. In addition to publishing *Inside Elections*, Gonzales is also an elections analyst for *CQ Roll Call*. He offers audiences some of the most detailed electoral forecasting in the business.

Exclusively represented by [Leading Authorities speakers bureau](#), Gonzales is full of enthusiasm and thought-provoking insights about politics. His recall of facts and figures is incredible, and he is natural, energetic, and engaging on stage. He interviews nearly all the candidates personally – from congressional and gubernatorial to state races, and using poll numbers, economic data, historical information, trends, demographics, interviews, and entertaining stories and analogies, he analyzes the current political environment, shares what you need to know about the races you didn't even know about, and performs an election "autopsy" on the latest races, projecting what the results mean for you. In presentations, he takes a "descriptive" rather than "prescriptive" approach to the politics du jour, saying that *Inside Elections* describes what is happening in the world of politics in order to project the results.

On Election Night 2016, Nathan was an on-air analyst for *Newshour* on PBS after working as an off-air consultant for ABC News on their Election Night Decision Desk for 14 years. Previously, he was an editor, analyst, and writer for *The Rothenberg Political Report* for more than 13 years before taking over the company in 2015. Additionally, he worked for CNN as a political analyst and as an associate producer for *Capital Gang*.

Gonzales has appeared on NBC's *Meet the Press* and NBC *Nightly News*, C-SPAN's *Washington Journal*, NPR's *All Things Considered*, Fox News Channel, and MSNBC, and has been quoted in *The New York Times*, the *Washington Post*, the *Wall Street Journal*, and *USA Today*. His work has also appeared on FiveThirtyEight, NBCLatino.com, and in *Campaigns & Elections* magazine.

Gonzales grew up in Oregon, earned his master of arts from The George Washington University's Graduate School of Political Management (Washington, DC) and his bachelor of arts from Vanguard University (Costa Mesa, California). He first came to Washington, D.C. as an intern in the White House Press Office and now lives in the city with his wife and four children.
