

## Nancy-Ann DeParle & Haley Barbour

Experts on Healthcare

[Nancy-Ann DeParle](#) is President Obama's former deputy chief of staff for policy. She is one of the nation's leading experts on healthcare and policy issues and was essential to the creation of the Patient Protection and Affordable Care Act, playing a lead role in one of the most significant pieces of social legislation in a generation. She is the expert's expert. When she was deputy chief of staff, DeParle oversaw all policy and regulatory matters for the White House, including energy, environment, education, manufacturing, and economic policy. She addresses policy and healthcare.

[Haley Barbour](#) is the former governor of Mississippi and the former chairman of the Republican Governor's Association. He also served as chairman of the Republican National Committee, leading the GOP to gain control of Congress for the first time in 40 years. POLITICO calls him "the most powerful Republican in politics." He was also widely praised for his handling of both the Gulf Oil Spill and Hurricane Katrina. One of the Republican Party's top political strategists, Barbour addresses elections, politics, Republican strategy, the economy, and other hot political topics.
