

Asoka Jinadasa

World-Class Trainer and Speaker on Maximizing Performance

Dr. Asoka Jinadasa is a UK-qualified Chartered Engineer with a US doctorate in Business Strategy and decades of management experience in Europe, USA and Asia. He is a globally-acknowledged thought leader in developing human potential through an innovative blend of Ancient Wisdom and Modern Science. He is also a Master of the Chinese martial art T'ai Chi Ch'uan and Oriental energy methods, and has empowered thousands of employees in dozens of companies in diverse industries. He is the author of the award-winning self-coaching book *Flying Penguin: How to create miracles in your life using the six dimensions of success*.

Dr. Jin looks forward to inspiring your audience to rediscover their wings and strive for the highest levels of success in everything they do—regardless of age, education or background.
