

Zeev Neuwirth

Author, *Beyond the Walls and Reframing Healthcare*

Dr. Zeev Neuwirth is a healthcare executive with over 30 years of combined experience in clinical practice, clinical operations, process improvement, population health, and innovation. He most recently served as the Chief of Care Transformation at Atrium Health, now part of Advocate Health.

Dr. Neuwirth is the creator and host of an award winning podcast entitled, *Creating a New Healthcare*, with nearly 160 episodes posted to date. The podcast was named one of the most popular healthcare podcasts of 2018 and was awarded "Healthcare Podcast of the Year" by HITMC in April 2019. Scott Becker of *Beckers Healthcare* remarked that "Dr. Neuwirth is an amazing speaker and leader, and is the country's leading healthcare podcaster".

In 2019, Dr. Neuwirth published his first book, *Reframing Healthcare - A Roadmap for Creating Disruptive Change*. In this book, Dr. Neuwirth outlines a comprehensive and scalable approach to transforming healthcare delivery. As one reader wrote, "Zeev's book...was a big part of the inspiration - the Road Map - for the creation of our healthcare practice... I read it just before COVID hit, and just knew in my gut my team and I had to try and make a greater impact."

Dr. Neuwirth's second book, *Beyond The Walls - the Megatrends, Movements & Market Disruptors Transforming American Healthcare* was rated #1 New Release on Amazon in the categories of Hospital Administration, Healthcare Delivery and Healthcare Policy. *Beyond the Walls* lays out the three domains that are transforming healthcare and weaves together the stories of individual and organizational exemplars who are going beyond the walls of our legacy healthcare system to create a more personalized, effective, and humane system of care.

Dr. Neuwirth is an alum of Tufts University and the University of Pennsylvania School of Medicine. He received a Master in Health Care Management from the Harvard T. H. Chan School of Public Health. His efforts to improve and transform healthcare delivery have been featured in Newsweek, Forbes, Fast Company, WebMD, The Yale School of Management Journal, and in two Harvard case studies.
