

George Mitchell

Former U.S. Senate Majority Leader (D-ME) and Former Special Envoy for the Middle East

An Expert In The Delicate Art of Diplomacy. George Mitchell delivers intelligent insight on foreign policy, the economy and corporate governance. Mitchell's speeches are crafted to fit each situation. The breadth of his experience is such that he is comfortable speaking about a wide variety of domestic and global issues, including: America's foreign policy; finance; taxes; health care; Medicare; welfare reform; education; the environment; and the peace accords in Northern Ireland.

He also addresses:

Global Politics and US Foreign Policy

U.S. Politics and Elections

Negotiation and Conflict Resolution

Perspectives On The Business of Baseball
