Take away values:

- Neal carries a treasure chest on-stage and in it are examples of how he turned barriers into opportunities to achieve his dream and empowers others to turn baggage into treasures.
- Innovate - how to capitalize on ever changing winds storms.
- Change - adapt to wind shifts and stormy seas by knowing when to alter course.
- Leverage economic challenges to your advantage - keep pumping, choose a winning course and navigate to your advantage.
- Attitude adjustment - refresh your vision - There are No Barriers ~ Only Solutions!
- Elements of success include determination, perseverance, hard work and passion.
- With focus and planning, a dream can become a reality - anything is possible.
- Life is about choice, with choice are consequences ~ choose your course wisely.
- Make decisions not only for today - but for the next generation.

Topics

The Power of Positive Attitude & How It Affects Performance - Neal has always defined himself by what he can imagine – rather than how others would define him and how he sustained his dream in the face of numerous barriers is compelling.

The Importance of Realizing Goals: Perseverance & Determination - Overcoming fear and facing danger and the unknown has been central to how Neal approaches his goals and his life. Audiences will walk away understanding the validity for direct correlations between perseverance, determination, passion and dedication to achieve any goal.

With Choice There Is Consequence - Neal's impact transcends age, gender, and race to promote the creation of leaders, life-long learners, and individuals who are mindful of the consequences their choices will have on personal, familial, community, and generational levels.

Change Is Constant: It's How You Play the Cards – Audiences will understand that you have to address the possibility of failure if one wants to achieve great things. His message will connect with audience members' experience facing challenges – sales quotas for instance – that may seem formidable at first – until imagination, innovation and passion are applied.
