- The character traits of a “Futuremaker” & making the future happen
- Coaching mindset and emotional resilience amid uncertainty
- Drivers of engagement and emotional commitment
- Keys to effective leadership communication during a crisis
- True North leadership questions that create impact

Passion On Purpose: Turning Corporate Culture Into a Competitive Advantage: This keynote reviews how to cultivate a high-engagement, high-performance work culture. As we prepare for the next growth cycle in business, leaders need to understand the needs and expectations of the modern workforce. Ryan pushes back on conventional thinking with new research and case studies from category-leading companies that succeed at maximizing human potential and elevating performance.

To win in today's market, you need a healthy organization: tuned-in employees, authentic leadership, open communication and trust. Leaders are called to cultivate the kind of workplace where people come first and performance and profit follow.

Most organizations leave too many opportunities on the table and waste a huge amount of their people's potential. This keynote offers practical advice to help you reverse that trend.

After this keynote, audiences and organizations will understand what it takes to elevate engagement, unleash human potential and compete to win in the new world of work.

Learning Objectives:

- Embrace change in the new economy.
- Learn from global workforce trends and forecasting from our research portfolio.
- Build high-trust, high-value relationships.
- Connect employees to a shared vision and set of values.
- Effectively use emerging technology to improve communication, culture and work life.

The Brand Experience: Accelerating Business Growth Through Remarkable Experiences: This keynote focuses on how you can elevate the relationships you have with your most important stakeholders: your customers. Ryan teaches organizations how to create remarkable experiences and earn customers for life.

Customer expectations have changed. For buyers, an alternative choice is usually just a click away. Today, customers want an experience, and the best brands step up and deliver, consistently. This keynote examines how category-leading companies start with their people, aligning employees around a common mission and empowering them to create memorable customer experiences.

Ryan explores current trends and shares standout customer stories from his portfolio of case studies. He will demonstrate how technology and social connectedness are influencing consumers' thinking and changing the way we engage with a brand. He helps participants shift their thinking and emerge with new ideas about both customer and employee relationships that will impact the business.

The outcome of this keynote will be an audience prepared to capture employee commitment and customer loyalty to drive business growth.

Learning Objectives:

- Learn global workforce trends from our research portfolio.
- Understand how to capture your unique How Advantage.
- Explore what it means to be a chief experience officer.
- Examine the importance of brand evangelism.
- Understand the impact of social connections and technology on the brand experience.

Adapt & Thrive: Preparing to Win in a 2025 World: This keynote presentation will prepare entrepreneurs and business owners to thrive in today's increasingly connected, competitive business environment. Ryan challenges conventional business growth practices and explores progressive techniques and technology that pace with the evolving needs of today's entrepreneur.

We are navigating a landscape with unprecedented disruption, elevated customer expectations and constant change. Our proprietary research proves that traditional leadership practices are giving way to a more connected, collaborative and flexible approach to managing people and business performance.

This interactive keynote will deliver new ideas and actionable insights that attendees can leverage immediately to jumpstart innovation, elevate performance and improve profitable growth.

Learning Objectives:

- Understand the "Futuremaker" mindset required to embrace and lead change.
- Discover four actionable insights from our research for progressive small business owners.
- Develop understanding on the evolution and opportunity associated with elevated customer expectations.
- Hear case studies on how progressive small businesses are proving disruptive and preparing to win in a 2025 world.

- Walk away with an action plan to address the most critical next steps in your business performance and growth.

Unleash Your Inner Superhero: Keys to Achieving Breakthrough Performance: This keynote helps attendees tap into their deep reservoir of potential and unleash their unique capability into the world. Ryan helps people see new opportunity through techniques that remove the barriers of fear, doubt and uncertainty that threaten to inhibit performance.

This important message introduces key insights about productivity and performance. Ryan coaches the audience through embracing change to achieve more meaning, mastery and momentum in their work life. He introduces several real-life superheroes, examples of the incredible results you can expect when you embrace your own potential.

The keynote serves as a call to action for those who are looking for fulfillment from their work and are determined to achieve their full potential. Participants will emerge better prepared to become their very best and achieve their next big, breakthrough moment.

The outcome of this keynote will be an audience inspired to take action and become the very best version of themselves.

Learning Opportunities:

- Learn how to leverage change as a catalyst for growth and success.
- Discover transformation techniques designed to unleash peak performance and become your very best.
- Find out the keys to building high-trust, high-value relationships.
- Explore the superhero ethos: "Be humble. Stay hungry. Always hustle."
