

Mike Lynch

Commander Indigenous Covert Operations Forces in Iraq and Afghanistan

Building Teams Behind The Lines. A talk based on Mike Lynch's actual real life experiences gained from years of recruiting, training, and deploying indigenous covert operations forces behind the lines around the globe. Fighting some of the world's most savage organisations, Mike Lynch was at the forefront of Counter Insurgency Operations (COIN) for over a decade. Now retired, he shares his insights into what it takes to select, motivate, and lead teams behind the lines and against the odds.
