

## Admiral James Winnefeld & Ambassador Nick Burns

Elite Geopolitical Duo

**Government & Military Elite Offer Unparalleled Take On Geopolitics.** [Admiral Sandy Winnefeld](#) and [Ambassador Nick Burns](#) hail from the pinnacle of the military and diplomatic worlds to offer an insightful, engaging, and candid take on geopolitics. They describe their frameworks for evaluating our national security interests around the world and then explore more deeply some of the issues we are currently facing, including Syria, ISIS, Russia, China, the Iran nuclear deal, and how it will affect policy and security over the next 10, 20, and 30+ years. Audiences get a glimpse into the president's daily briefing room where they get the zero spin—just an unparalleled update of the world's top geopolitical issues. Listeners walk away with insights for how to think about what's going on in the world that were tailored to their needs and the tools they need to make knowledgeable strategic decisions of their own.
