

John Allen & Ken Pollack

Elite Geopolitical Duo

[Gen. Allen](#) and [Ken Pollack](#) deliver a detailed presentation on the challenges facing the Middle East and the impact the region will continue to have on nations around the world. Their talk--informed by their combined decades of experience shaping political, policy, and military strategy as it pertains to the Middle East--touches on mega-trends influencing economies and alliances, destabilizing forces in global hot spots, pockets of extremism, and tactics that ought to be used to combat terror groups. Allen and Pollack offer a well-rounded analysis of the current Middle East environment and forecast likely short- and long-term risks and rewards, as well as outcomes, associated with various types of engagement.
