

Linda Clemons®?

Global Sales and Nonverbal Communications Expert, CEO of Sisterpreneur® Inc., Corporate Sales Trainer

The Silent Language of Leaders. Approximately 80% of communication is expressed nonverbally. When you know how to unlock and tap the secrets of people's nonverbal cues, you'll always have the advantage in any situation. Imagine being armed with this powerful information, you'll be able to sit in a business meeting and know what your colleagues and boss are really thinking and feeling.

Imagine knowing the perfect time to close a deal or negotiation. You'll even learn how your body language influences your boss and how it may affect your impact your promotion and career. In this interactive power pact session, you will discover:

- The most powerful behaviors that reveal our confidence and true sentiments
- How the subconscious limbic system drives all body language
- What the face truly reveals and why it's the least likely place to gauge a person's true feelings
- What your feet and handshake reveal about moods and motives
- What women in leadership should never do with their hands during critical presentations and negotiations
- How to speed read a room
- What are the Signs of Deception
- How to Become a People Magnet
- Much More!

The Power of Nonverbal Communications

You Can Sell, Serve, and Soar
