

## Jimmy Chin

Professional Mountain Athlete, National Geographic Photographer, and an Academy Award-Winning Film Director

As a Speaker, Jimmy has lent his story and experience to a variety of audiences, addressing global tech leaders, financial institutions, nonprofits, and creative agencies. His talks take you on his own personal journey from a young kid in Minnesota who just wanted to climb Yosemite and capture images to a world-class climber and filmmaker. He relays the many lessons he's learned navigating the world's most challenging climbs and sharing the stories of other accomplished adventurers.

### Speaking Topics:

- Leadership + Teamwork
- Risk Management
- Preparation
- Exploration + Adventure
