

Howard Kurtz

Host, Fox News's Media Buzz

Donald Trump vs. the Media - An inside look at the scorched-earth warfare that came to define the Trump presidency and undermine the credibility of the press

Polarizing Politics - Why absolutely nothing is getting done in Washington as both parties demonize the other

Digital Download - How social media has destroyed the gatekeeping role of major news outlets and fostered democracy while also turning Facebook and Twitter into a toxic stew filled with misinformation, bullying and hate speech
