

AXIOS Virtual Briefings

Connect with your members, customers, or board in real-time and interact with some of today's foremost experts.

Axios co-founders Jim VandeHei and Mike Allen offer live online briefings on the new workplace in the age of the coronavirus, the political climate, and the road to the White House.

What's in the briefing?

(choose one)

- **Political Briefing with Jim and Mike**
 - A behind-the-scenes analysis of what's going on in Washington and the important issues shaping our world.
- **"War for Attention" Briefing with Jim and Mike**
 - How to communicate your culture, mission, and other key messages – internally and externally – in the social, mobile, disruptive age.

How does it work?

- **Live Stream**
 - Streamed live from the Axios office, the video format can accommodate up to 300 virtual attendees.
- **Audience Participation**
 - The video conference technology allows for interactive elements with your audience, including live Q&A discussion.

What is the cost?

- \$15,000
