

McChrystal Group

Webinar Series: Leading Through the COVID-19 Crisis

The COVID-19 Crisis requires leaders to energize, focus, and equip their teams with practical and actionable guidance on how to lead through crisis. Partner with McChrystal Group subject matter experts to leverage a tailored, remote webinar solution that will provide:

- Advice from McChrystal Group leaders with experience in crisis management
- The opportunity to reinforce your organization's cultural values
- Help for your leaders to navigate their "new normal"

WEBINAR 1: LEADING IN CRISIS

General (ret.) Stan McChrystal reflects on practical leadership tactics in crisis from his experience commanding the US Counter-terrorist forces while facing a failing fight against Al Qaeda in Iraq.

WEBINAR 2: BRIDGING THE ORGANIZATION

How to identify communication gaps and create effective channels and forums.

WEBINAR 3: MOTIVATING REMOTE TEAMS

How to energize and motivate remote teams by utilizing a strategic combination of language, story-telling, and consistent leadership behaviors.

WEBINAR 4: DEVELOP A PRIORITIZED PLAN

How to identify and prioritize critical objectives and activities, coordinate with agencies involved, and build robust contingency plans.

WEBINAR 5: PRESSURE-TESTING THE PLAN

How to test the critical assumptions inherent in any plan. This is an essential step before empowering individuals to execute.

WEBINAR 6: LEADERSHIP FOR A NEW WORLD

General (ret.) Stan McChrystal reflects on the requirement for new disciplined processes, an in-depth understanding of how your organization actually functions, and a different approach to leadership as we lose the human dynamics of in-office collaboration.

McChrystal Group

Webinar Speakers:

Stan McChrystal

Stan McChrystal founded McChrystal Group in January 2011 to deliver innovative leadership solutions to businesses globally in order to help them transform and succeed in challenging, dynamic environments.

Greg Vogle

A Senior Advisor at the McChrystal Group, Greg advises CEOs and executive teams on leadership and team building. He is a career paramilitary officer who retired in 2017 from the Central Intelligence Agency after holding positions of increasing scope, including senior executive positions in charge of global clandestine operations.

David Rodriguez

A Senior Advisor at McChrystal Group, General David Rodriguez served over 40 years in the United States Army with his final assignment being the Commander of the United States Africa Command.

Chris Fussell

Chris is the President of McChrystal Group and the best-selling co-author of *Team of Teams* and *One Mission*. Chris spent 15 years on US Navy SEAL Teams, leading SEAL elements in combat zones around the globe.

Caroline Logan

Caroline is a Principal at McChrystal Group, where she designs and delivers long-term leadership development and training programs for clients in a number of industries, facilitating and presenting on leadership topics to develop high performing teams.

David Livingston

Head of McChrystal Academy, David leads a team of subject matter experts, learning designers, and dynamic facilitators who develop and deliver custom learning courses and programs that leverage a variety of experiential learning methods to drive individual growth and higher performance for teams and organizations.

Micah Zenko

Micah Zenko is the Director of Research and Learning, charged with the development and instruction of offerings designed to improve organizational performance through red teaming, strategic planning, and scenario development. He is also the author of *Red Team: How to Succeed by Thinking like the Enemy*.

Sabriyya Pate

Sabriyya is responsible for researching and developing the firm's products and solutions. She works with our decision-making portfolio and also facilitates red teaming. Prior to joining McChrystal Group, she developed curricula and taught courses at Duke University, and conducted research on applied conflict resolution training within the healthcare leader context in Nigeria.

Rachael Lammers

Rachael is a Partner at McChrystal Group and responsible for the development and implementation of common architecture around all McChrystal Group products and services. Previously, she served as the firm's Chief of Staff.
