

Chris Ramsey

Comedian

Chris has just finished the first sell-out leg of his new show, *The Most Dangerous Man on Saturday Morning Television*. The show follows his 2012 tour *Feeling Lucky* where he sold out the entire run, and his 2011 Foster's Edinburgh Comedy Award nominated *Offermation*.

Last year, Chris starred in the second series of BBC Two's sitcom *Hebburn*, hosted his own show, *Chris Ramsey's Comedy Fringe*, four special highlight shows for BBC Three, presented BBC Three's 8 hour-long *Comedy Marathon live at the Edinburgh Festival Fringe* and co-hosted a special show on BBC Radio 2 with Al Murray the Pub Landlord for children in need. He is developing his own show with Avalon Television for the BBC and is a regular face on ITV2's *Celebrity Juice*, BBC Two's *Never Mind the Buzzcocks*, BBC Three's *Sweat the Small Stuff*, and Channel 4's *8 Out of 10 Cats*.

Chris is an increasingly popular corporate host and performer. His high energy, lightning quick wit and interaction with the audience make him incredibly popular with his audiences. But don't take my word for it, his testimonials really speak for themselves.
