

Nadine Dereza

Moderator, Interviewer, & Business Presenter

Nadine is an award winning journalist, presenter and communications coach. She presents business, news and entertainment programmes on TV and radio, as well as moderating and hosting conferences, panel discussions and live events for a diverse range of clients across many sectors in the UK and abroad.

Nadine currently presents CNBC's *IoT: Powering the Digital Economy* – investigating how digital innovation is reshaping industries. She has also presented for Associated Press, BBC, CNN, SABC, Simply Money, Sky TV, Summit TV and Talk Radio. Named as 'Financial Journalist of the Year' for the *Financial Times* and Summit TV, Nadine has an in-depth knowledge of business and finance across the full business spectrum. She interviews entrepreneurs to CEOs of the FTSE 100 / Fortune 500, as well as key global players including Kofi Annan, Condoleezza Rice, Gerhard Schröder, Anders Fogh Rasmussen and Ban Ki-moon.

As founder and Media Director of PS Programmes, Nadine is passionate about her clients being able to engage and effectively connect with audiences, and delivers communications coaching, media training and crisis media programmes to some of the best-known brands, helping individuals and businesses to confidently excel on stage and on camera.
