

## **Brad Waldron**

Corporate Athlete & High-Performance Leadership Speaker

### **The Leadership Battery - How Great Leaders Sustain Performance Without Burning Out**

Drawing on elite sport, executive leadership, and behavioural performance science, Brad explores how high performers maintain clarity, resilience, and energy under constant pressure. Audiences leave with practical strategies to lead sustainably while performing at their best.

### **Performing Under Pressure - How Leaders Think Clearly When the Stakes Are High**

Pressure reveals leadership. Brad shares practical frameworks for decision-making, composure, and communication in high-stakes environments, helping leaders remain focused, adaptable, and effective when it matters most.

### **Present Naked - The Art of Authentic, Influential Communication**

Based on Brad's acclaimed book, this keynote challenges conventional presentation styles and teaches leaders how to communicate with authenticity, confidence, and impact to build trust and inspire action.

### **The Outperformer Mindset - What Separates Exceptional Leaders From Everyone Else**

Brad unpacks the behaviours, disciplines, and mindset shifts that drive sustained excellence in business and life, equipping audiences with actionable tools to elevate performance and create lasting competitive advantage.
