

Brendan Vaughan

Editor in Chief, Fast Company

Driving Innovation Across Industries: Lessons from the Frontlines Brendan Vaughan, having interviewed and collaborated with some of the most disruptive leaders in business, draws on these conversations to uncover the secrets behind staying ahead of the curve. His extensive experience across top editorial roles and digital platforms has given him powerful insights about how bold ideas and adaptive strategies can propel industries forward. By exploring what makes these leaders successful, Vaughan offers actionable advice on fostering a culture of innovation and continuous reinvention. His perspective challenges businesses to not just keep up with change, but to be the driving force behind it.

The Evolution of Media: How Understanding Digital Trends Sparks Creative Success With a career spanning high-level editorial roles at leading brands like GQ, The Atlantic, Business Insider, and Medium, Brendan Vaughan has witnessed firsthand how the digital landscape has transformed over the decades. By understanding the history of digital media—from the early days of print-to-digital transitions to the current AI revolution—Vaughan shows that a deep appreciation of past disruptions can drive fresh, innovative strategies today. His insights empower leaders to harness the lessons of digital evolution to fuel creativity, shake complacency, and ultimately achieve sustainable success in a fast-changing world.

Facilitating Conversations: The Art of Hosting and Moderating With years of experience interviewing top leaders across media, business, and technology, Brendan Vaughan brings unparalleled expertise to the role of host and emcee. His ability to craft compelling narratives and ask thought-provoking questions ensures every event is both engaging and insightful. Whether moderating panels or leading discussions, Vaughan's dynamic presence and knack for connecting with diverse audiences create memorable experiences that resonate long after the event.
