

Ken Buck

U.S. Congressman (R-CO, 2015-2024), Former District Attorney & DOJ Prosecutor

Beyond the Ballot: A Look at What's Now and Next for American Politics Having been among the influential voices in the U.S. House of Representatives shaping the future of our nation, Congressman Ken Buck possesses as-close-as-you-can-get perspective on the ever-evolving political landscape and how things work behind the scenes of politics and policy. In this talk, Buck explores the key issues that will drive voters to the polls in upcoming elections, as well as their potential impact on the audiences' organizations and industries, while also proposing new ideas for the steps that need to be taken to create systems and pass policies that benefit the American people. Buck shares his insights into what's happening in politics (and why) in a manner that empowers listeners to form their own opinions on the issues and adapt their organizations and communities accordingly.

The Legal Compass: Navigating the Current State of Law In addition to a near decade-long tenure in Congress, Ken Buck is a former Colorado District Attorney and U.S. Department of Justice prosecutor who is regarded among the most authoritative voices on the law. Offering a comprehensive analysis of the hot-button legal issues of the day, Buck provides invaluable perspective and expertise on the intricacies shaping our nation's legal framework as he dissects emerging legal challenges, pivotal Supreme Court rulings, and other topics of interest to the audience.
