

Richard Stanton

Civilian Cave Diver, Played Leading Role in Tham Luang Cave Rescue

Achieving The Impossible In a gripping presentation, Rick Stanton takes audiences on the journey of a lifetime into the dark and deep caves of Thailand. The veteran cave diver tells the story of orchestrating the rescue of the scared team in the Tham Luang caves of Thailand in the summer of 2018. He then goes on to detail the crucial role he played in the rescue operation. With heart-pounding anecdotes from the ordeal, Stanton hammers home the importance of perseverance, determination, and preparation, and explains why he believes success in life is rarely due to "luck." Stanton eloquently describes what it was like to be there and the joy he felt when it was all over. Uplifting and memorable, Rick's story is truly inspiring.
