

Scott Jennings

CNN Contributor, Conservative Columnist, & Former Presidential Advisor

The Future Under Trump: Political and Policy Trends to Watch in the Coming Years. Scott Jennings offers an insider's perspective on the key priorities, challenges, and opportunities facing the Trump administration in the coming years. This thought-provoking talk examines the administration's policy agenda, including its approach to economic growth, foreign relations, and domestic issues that will shape the nation's trajectory. Drawing on his experience as a political commentator and strategist, Scott provides an analysis of how the administration's decisions may impact political, business, and societal landscapes.
