

Rocky Bleier

Legendary NFL Running Back & Four-time Super Bowl Champion

Football legend Rocky Bleier is not only a great athlete but also a great human being. Crippled by enemy fire during the Vietnam conflict, he demonstrated the courage and determination to overcome his injuries and to return to the Pittsburgh Steelers. He went on to become the Steelers' fourth leading ground gainer, passing the 1,000 yard rushing mark in one season and contributing to four Super Bowl victories. His remarkable story became the subject of the book, *Fighting Back*, which was recreated in the 1980 ABC-TV movie of the same name. An inspiring and energetic speaker, Rocky Bleier motivates his audiences to higher levels of achievement.
