

Erik Qualman

Top Technology and Motivational Speaker, Futurist, & #1 Best-Selling Author

5x Bestselling Author and Keynote Speaker Erik Qualman has spoken in over 55 countries and has reached over 55 million people. He is the #1 bestselling author of five books on digital leadership and was voted the 2nd Most Likeable Author in the World behind Harry Potter's J.K. Rowling.

His Socialnomics work has been on 60 Minutes to the Wall Street Journal and used by the NBCUniversal to NASA. Over 500 universities use his materials. Qualman's animation studio wrote and produced the world's most-watched social media video "Social Media Revolution." Qualman was formerly a sitting professor at Harvard & MIT's edX labs. NYU Stern signified Qualman is to digital leadership what Deming is to quality and Drucker is to management. Qualman received an honorary doctorate for his groundbreaking work What Happens in Vegas Stays on YouTube. Qualman is also the founder of Equalman Studios which has produced film and animation projects for the likes of Disney, Cartier, CompuCom, Chase, Hearts on Fire, IBM, and many other global brands.
