Brendan Hall

Winning Skipper of the Most Demanding Around the World Yacht Race; Leadership, Teamwork, & Collaboration Expert & Author

Sailing to Success: The Power of Teamwork in Overcoming Adversity In this keynote, renowned sailing captain Brendan Hall takes the audience on the thrilling journey in which he led his team to victory in the Clipper Round the World Yacht Race, a 40,000-mile test of collective will and resilience that is regarded as one of the most demanding team feats in any endeavour. He emphasizes the pivotal role collaboration played in his team's ability to triumph against all odds, while sharing firsthand insights and strategies for how any group can create the cohesion and can-do culture needed to achieve the impossible.

Navigating Uncertainty: Leadership Lessons from the High Seas Drawing from his experiences leading his team to victory in the Clipper Round the World Yacht Race, one of the most physically demanding and mentally taxing sailing races in the world, Brendan Hall demonstrates how anyone is capable of being a leader who successfully steers their teams through tumultuous waters. Alongside his inspiring anecdotes are valuable lessons on how to navigate challenges with confidence and resilience in order to push through uncertainty and guide teams to triumph.
