David Gerard

Magician, Mentalist, Former Silicon Valley Marketing Executive, and Expert on Creating Unforgettable Audience Experiences

After-Dinner Show A full-length show blending astonishing mentalism, sharp comedy, and genuine connection — designed for smart, skeptical audiences who've seen it all. A polished centerpiece for any evening.

Cocktail & Strolling Magic David moves through the room delivering sharp, personal moments of mentalism — the kind of up-close astonishment that gets a room talking before the main event even starts.

Keynote & General Session Drawing on his Stanford Business School lectures and decade inside the tech world, David blends mentalism with real insight on presence, connection, and communication in the age of AI — making abstract ideas feel tangible and unforgettable.

Emcee & Host David keeps an event sharp and moving with wit, presence, and moments of mentalism woven throughout — equally comfortable in a boardroom or on a conference stage.

Private & VIP Events An intimate, tailored experience for leadership retreats, private dinners, and high-touch client entertainment — the kind of real, in-the-room connection that's increasingly rare and impossible to replicate.
