Diane Swonk

Chief Economist, KPMG Economics

Economic Outlook In a presentation that is constantly updated with the latest news, Diane Swonk shares insights on the current economic environment, including where the economy is headed, trade issues, regulation, and the effect of government policy on the markets. Called upon by audiences the world over for her expertise, she has a nearly encyclopedic knowledge of all things economic, citing statistics and offering detailed, illustrative examples without blinking an eye. Despite a topic that too many presenters turn into dry rhetoric, Swonk's presentations are entertaining and enlightening. She even jokes that the financial crisis has solved our issue with Social Security—now everyone is simply too poor to retire. Her eye-opening perspective on the global and domestic economy helps organizations plan better for the future and protect against risk.
