Eboni Williams

Best-Selling Author, National Television Host, & Attorney

Women's Professional Development & Mentorship In Eboni Williams' book, *Pretty Powerful: Appearance, Substance, and Success*, she talks about how physical presentation can affect your professional power ascent. Furthermore, she explores themes of sexual harassment, diversity and inclusion, and professional development. She encourages and empowers women throughout the read and includes insights from dynamic women in law, politics, the media, and business.

Diversity & Inclusion As an African American woman, Eboni Williams has first hand knowledge on the issues of diversity and inclusion. With a BA in African American studies, Williams is able to use the information she learned in school as well as her personal experiences to talk about these important topics.

Current Events With Eboni As a national television host and radio correspondent, Eboni Williams has knowledge about a multitude of political and cultural issues, current events, and more. She uses her background as an attorney and the knowledge gained from the various cases she has worked on to talk about the current events in America. Social justice and reform is a relevant area of specialty for Eboni.
