Jade Simmons

Speaker, Rockstar Concert Pianist

Purpose, The Remix: Unleashing the Rhythm of Impact “Your Purpose is not the thing you do. It’s the thing that happens in others when you do what you do.” Those 21 words, Jade’s Purpose Statement, have been opening minds and changing lives since the very first time they were uttered, sending individuals and organizations into new stratospheres of impact. Now, enter Purpose the Remix, a full-length presentation designed to help audiences reimagine, reconnect with, and reignite purpose and all the powers that come with it. With her signature blend of interactive musical motivation, Jade delivers her highest-octane performance yet, complete with piano, electronics and yes, drumming to display all the sounds, rhythms, and possibilities that purpose unlocks. If you’re ready to compose an exhilarating beat your organization can groove to, ready to unleash teams who are locked into the greater mission, and ready to create an atmosphere that attracts and retains the best of the best talent, you’re ready for.

How to Move Like a Maverick An empowering line-up of uncommon mindset shifts and brave, new modes of operation designed to shift your people from status quo huggers to empowered trailblazers in one fell swoop. Jade powerfully redefines purpose, encourages the discovery of originality & the inclusion of improvisation, and challenges listeners to embrace the possibility of bringing their whole selves to every table, every time. This presentation is perfect for organizations looking to motivate their people to new heights personally and bigger results professionally.

Audacity: Dare to Lead on Purpose Incredible things happen when motivated leaders dealing with the pressures of monumental change are given the tools to connect, improvise, and unlock the undiscovered gifts of their team members. Jade gives transformative strategies to supercharge atmospheres that cultivate excellence, proactivity, innovation, and productivity. This presentation, with its emphasis on emboldening and revitalizing executives, team leads, and managers, is perfect for organizations looking to offer something other than run-of-the-mill leadership training.

Dynamic, Disruptive Diversity: A Bold Approach to Harnessing the Power of Differences Jade’s leading the charge for diversification of the workplace with a powerfully positive approach that dares to eschew guilt and obligation in favor of curiosity and authentic connectivity. Her own uncommon story of being a black, female, classical pianist in a traditionally monolithic industry yields loads of applicable insights and mindset shifts perfect for organizations determined to be at the forefront of the diversity and inclusion movement. If you are ready to spark transformative conversations and unleash the power of storytelling to form unbreakable bonds in the workplace that result in breakthrough personally and professionally, this is the presentation for you.

The Smell of Breakthrough Jade's newest transformational mainstage keynote experience is a masterclass in the art of reframing challenges to gain invaluable insights into how to best prepare for the season ahead. In this presentation, Jade brilliantly sets your attendees up to be able to predict when breakthrough is around the corner, to position for it powerfully, and to lead their teams in sustainable strategies that keep the breakthrough coming! With all new music, creative visuals, and the same stunning combination of inspiration, innovation and entertainment, *Breakthrough* is designed to pique all of the senses and stoke the biggest fires in the hearts and minds of your attendees.
