

Josh Kelley

Chart-Topping Singer & Songwriter

The Rhythm of Life: Entertainment with a Message In this experiential talk, singer-songwriter Josh Kelley blends the story of his rise to musical stardom, and the lessons learned along the way, with live performances of his hit singles and deep cuts. In sharing the moments that spurred him to write each song and the powerful messages behind them, he inspires audiences of all kinds to take risks, show up as their authentic selves, nurture their personal and professional relationships, and lead by example. Not quite a keynote, and not a full musical performance, Kelly creates an experience unlike any other that engages, entertains, and empowers.
