Kevin Kallaugher

Editorial Cartoonist for The Economist & The Baltimore Sun

Daggers Drawn In lively, illustrated presentations, Kal draws on stage while touching on themes like the uniqueness of our political system and the role of cartoons in freedom of speech. He shares insights on current events, politics, and the economy as he demonstrates the power of perspective and offers audiences a surprise (their own original cartoons to take home!). His commentaries have engaged, enraged, and entertained readers and leaders around the globe, and his keynotes utilize his sharp wit and biting insight to tackle the issues of the day with well-placed humor and precision art. He has lectured at TED, Harvard, Pixar, and Google and offers an exciting twist for meetings and events. His presentations are funny, memorable, and interactive.
