**Using Humor for a Change** Become unforgettable. Jump-start your creativity. Ease conflict. Gain control of tense situations. Win impossible business. Create a positive culture. Engage employees. Engage customers. Reduce burnout. Raise productivity. Build better relationships. And enjoy work more than ever before! How do you make this happen? Through the effective use of humor in the workplace. This lively, interactive program explores ways to use humor, creativity, and engagement strategies to bring positivity and productivity to your organization. You will learn to tap into your unique sense of humor—a skill essential to creating the rapport that will pave the way to better relationships and better results. By putting the tools from this insightful program into play, you will soon discover that those who laugh, last!

**Employee Innovation for Turbulent Times** What does it take to stay relevant and competitive in today's fast-paced, ever-changing marketplace? A culture of innovation! In fact, the #1 killer of employee innovation is a culture which doesn't honor it. When self-expression is welcomed, when employees feel free to be authentic, when employees feel a part of the mission and vision, innovation flourishes. An action-oriented environment leads employees to thrive, brainstorm and invent. This program will show you how to encourage independent thinking and problem solving, how to evolve through calculated risk, and utilize mistakes as lessons learned. Learn to build a culture which celebrates and engages employees, boosts teamwork and rewards creativity. Your reward will be more productive, creative and fulfilled employees.

**Happily Ever Laughter, How to Engage any Audience** To truly connect with an audience, you need to both educate and entertain. Of course, you don't have to use humor. . . unless you want to break preoccupation, develop rapport, increase retention, and fully engage your listeners! "Happily Ever Laughter" offers practical, imaginative ideas for using humor to increase the value of your presentations. Participants will learn how to play off any audience—be it a meeting of five or an auditorium of 5000. From developing original (and appropriate) material to uncovering an organization's "humor hot buttons," this program will cover the basics and beyond for becoming a more charismatic, effective presenter. As participants begin to take risks and tap into their own unique style they will reap the rewards of an entertained and captive audience.

**How to Hold an Audience without a Rope** Throughout history, most every great leader has been a great communicator. And to be a great communicator takes humor, storytelling and proven techniques to ensure your message is conveyed with clarity and power. You'll learn how to overcome stage fright, establish perceived credibility, and create authentic connections with your listeners. Your value as a leader and presenter will dramatically improve when you know how to engage others from the conference room to the podium. You'll leave this program thinking, feeling, and celebrating your way towards speaking success. inspired to create a better future for themselves and their organizations.
