The Trump Administration: Making Sense of Politics and Governance Today. As the Trump administration takes center stage once again, Washington faces a new phase of policy shifts, governance challenges, and evolving political dynamics. With a focus on reshaping domestic and foreign policy, the administration's decisions will have lasting implications for the economy, national security, and the balance of power in Congress. Veteran journalist and Washington insider Stephen Hayes offers a clear, objective analysis of the key players, legislative priorities, and political strategies shaping this era.

Breaking Through the Noise: Trust and the Media. In an era of 24/7 news cycles and social media echo chambers, trust in journalism and politics is at an all-time low. Stephen Hayes explores the challenges facing today's media landscape, from misinformation and partisan bias to the growing disconnect between the press and the public. With a long career in journalism and on-the-ground reporting, Stephen Hayes examines how audiences can become more discerning consumers of news and how the media can work to rebuild credibility in an age of skepticism.
